

Scholarship Application

T.U.N.E. Camp MN 2019 June 19-23

Scholarship Program

Our sponsors generously support our efforts to welcome youngsters to camp regardless of their financial situation. We ask that scholarship applicants (campers) write a brief essay that illustrates their interest and appreciation of nature, wildlife, conservation, and time spent enjoying the outdoors. Every request for financial aid is considered and you will be contacted by a T.U.N.E. Camp MN administrator once your application has been reviewed. Any scholarship funds awarded will be applied directly towards your camper's enrollment fees.
